

Cargo Slides

*The Ultimate Cargo Retrieval
System*

Heritage

Standard Features:

- 1200 lbs capacity
- 75% extension
- 4 bearings
- automotive grade carpet
- 4" aluminum side rails
- powder coated frame
- 3 locking positions
- patented spg. release T handle
- patented L hook fasteners
- bed to top of deck under 4"

Optional Features:

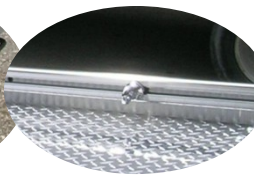

1/4"
rubber mat

aluminum
diamond
deck

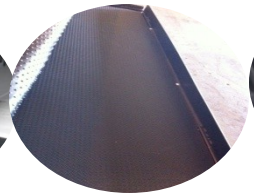

sliding tie
downs

8" side rails
or extreme
aluminum
side rails

folding side
rails

camouflage
side rails

patented
brake
system

Hybrid

Standard Features:

- 1200 lbs capacity
- 75% extension
- 4 bearings
- HDPE Ultra ply deck
- 4" aluminum side rails
- powder coated frame
- 3 locking positions
- patented spg. release T handle
- patented L hook fasteners
- Bed to top of deck under 4"

Optional Features:

1/4" rubber mat

aluminum diamond deck

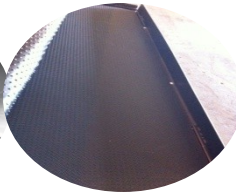

sliding tie downs

8" or extreme aluminum side rails

folding side rails

camouflage side rails

patented brake system

Commercial Slides

Standard Features:

- 1500 lbs 1800 lbs capacity
- 75% extension
- 6 and 8 roller bearings
- HDPE Ultra ply deck
- ¼" rubber mat
- 8" aluminum side rails
- powder coat finish
- 3 locking positions
- patented spg. release T handle
- patented L hook fasteners
- bed to top of deck under 4"

Optional Features:

aluminum
diamond
deck

sliding tie
downs

4" or
extreme
aluminum
side rails

folding side
rails

camouflage
side rails

patented
brake
system

Titan 2500

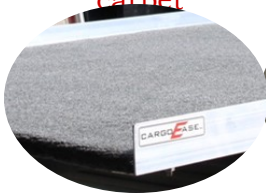

Standard Features:

- 2500 lbs capacity
- 75% extension
- 8 DY Bearings
- HDPE Ultra ply deck
- ¼" rubber mat
- 8" aluminum side rails
- powder coat finish
- 4 locking positions
- patented spg. release T handle
- patented L hook fasteners
- bed to deck top under 4"

Optional Features:

automotive
grade
carpet

aluminum
diamond deck

sliding tie
downs

4", 8" or
extreme
aluminum
side rails

folding side
rails

camouflage
side rails

patented
brake system

Titan 3000

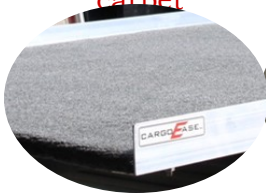

Standard Features:

- 3000 lbs capacity
- 75% extension
- 8 bearings
- HDPE Ultra ply deck
- ¼" rubber mat
- 8" aluminum side rails
- powder coat finish
- 4 locking positions
- patented spg. release T handle
- patented L hook fasteners
- bed to deck under 4"

Optional Features:

automotive
grade
carpet

aluminum
diamond deck

sliding tie
downs

4", 8" or
extreme
aluminum
side rails

folding side
rails

camouflage
side rails

patented
brake system

Ramp Slide

Standard Features:

- Fully adjustable ramps under deck
- 1800 lbs capacity
- 75% extension
- 8 bearings
- HDPE Ultra ply deck
- 1/4" rubber mat
- 8" aluminum side rails
- powder coat finish
- 3 locking positions
- patented spg. release T handle
- patented L hook fasteners
- patented hide away ramp system
- bed to top of deck under 4.5"

Optional Features:

automotive
grade
carpet

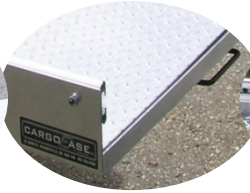

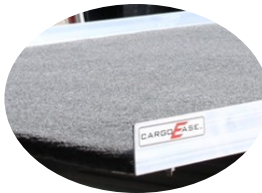

aluminum
diamond deck

sliding tie
downs

4", 8" or
extreme
aluminum
side rails

folding side
rails

camouflage
side rails

Dually

Standard Features:

- 1200 lbs capacity
- 75% extension
- 8 bearings
- ¼" rubber mat
- HDPE Ultra ply deck
- 4" aluminum side rails
- powder coated frame
- 3 locking positions
- patented spg. release T handle
- patented L hook fasteners
- bed to top of deck under 4"

Optional Features:

aluminum
diamond
deck

sliding tie
downs

8" or
extreme
aluminum
side rails

folding side
rails

camouflage
side rails

patented
brake
system

Extender 2000

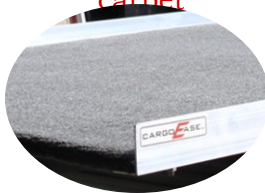

Standard Features:

- 2000 lbs capacity
- 100 % extension
- 12 and 14 bearings
- HDPE Ultra ply deck
- ¼" rubber mat
- 8" aluminum side rails
- powder coat finish
- 4 locking positions
- patented spg. release T handle
- patented L hook fasteners
- 100% extension
- Bed to deck top under 5"

Optional Features:

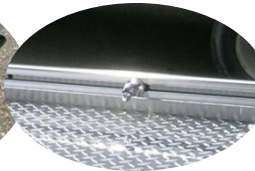

automotive
grade
carpet

aluminum
diamond deck

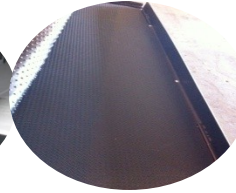

sliding tie
downs

4", 8" or
extreme
aluminum
side rails

folding side
rails

camouflage
side rails

OPA 1000

Standard Features:

- 1000 lbs capacity
- 75% extension
- 4 Bearings
- 100% alum deck & frame
- 4.5" side rails
- powder coat finish
- spring release T handle
- 3 locking positions
- low profile design under 3"

Optional Features:

1/4"
rubber mat

sliding tie
downs

camouflage
side rails

Jeep Slide

Standard Features:

- 500 lbs capacity
- 75% extension
- 4 bearings
- HDPE ultra-ply top
- 4" checker plate side rails
- powder coat finish
- spring release T handle
- 3 locking positions
- 1/4" rubber mat
- bed to top of deck under 4"

Optional Features:

automotive
grade
carpet

aluminum
diamond
deck

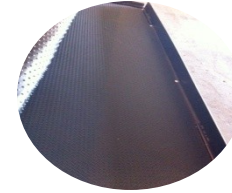

sliding tie
downs

8" aluminum
side rails

folding side
rails

camouflage
side rails

• OPTIONS

Options:

Patented Safety Brake locking system. Pad braking system with extra pin locking system. Stop whenever you release the handle

15` Extreme ALUMINIUM Side rails
Formed over wheel wells

Adjustable second deck

Folding side rails

Sliding tie downs

Custom back rail

Checker plate deck

Slide mounted light

Rubber mat

Spray on coated deck

Cargo Lockers

- **The Ultimate Cargo Protection System**

• Cargo Lockers

Standard Features:

- 2000 lbs capacity
- Structural aluminium frame with composite deck
- 600 lb capacity drawer system
- single and dual drawers
- turn key locking system
- Standard unit 9" approx high
- Max Unit 12" approx high
- 12 single and 24 double drawer bearings
- Felt lined, stain and mildew resistant
- 1 long divider
- 1 short divider
- 4 Sliding tie downs

Optional Features:

long dividers

- short dividers
- Slide mounting bracket
- spare tire lift
- SUV and custom sizes
